Profile

I enjoy a versatile role with creative elements. As a person, I am **sociable** and **positive** and love to share this energy with colleagues and customers. I am especially passionate about designing and testing. What **drives me** is the feeling of living up to someone's expectations and delivering something I can feel proud of.

Internships

UX Designer, Adesso

Feb 2022 — May 2022  Copenhagen

I returned to Purple Scout (Now Adesso) for my second internship. I was assigned to work on a multitude of projects and oversaw the whole UX design process.

Tasks included **ideation**, **competitive research**, **user personas**, **scenarios**, **prototyping**, **task flows**, **mood boards**, **icon design**, **evaluation** and **usability testing**.

UX Designer, Purple Scout

Apr 2021 — Jun 2021  Copenhagen

I did my first internship as part of my studies at a Copenhagen-based consultancy. I worked on a multitude of projects, designing the UX as well as UI experience.

Tasks included **competitive research**, **user personas**, **scenarios**, **prototyping**, **task flows**, **mood boards** and **usability testing**.
